From the Executive Committee of the National Lien Viet Front respectfully to Mr. Ung Van Khiem in care of the South Vietnam Lien Viet Committee:

"Following the sessions of the National Congress charged with consolidating the Viet Minh and the Lien Viet, the Executive Committee of the National Lien Viet Front received a message from the South Vietnam Lien Viet Committee proposing your participation in the National Lien Viet Committee.

"The Executive Committee of the National Lien Viet Front, relying upon the people's confidence in you and the esteem in which you are held, decided at the May 10 and 11, 1951 sessions of the Executive Committee to approve the above proposal. Following that decision the Executive Committee made a survey of opinions and found the proposal unanimously welcomed by all the delegates who attended the sessions of the National Congress in March 1951. We also consulted President Ho and he gladly expressed his approval.

"Consequently, on behalf of the National Lien Viet Committee and of the delegates of the National Congress, we respectfully invite you to participate in the Committee which will lead the National Front in such a manner as to hasten realization of President Ho's policy of national unity, to accelerate the campaign of national resistance towards final victory, and to insure the success of national construction.

"We sincerely and (earnestly?) hope that you will approve this decision.

"We present our respectful wishes for your continued good health."
